OP/DA, GO3 Ames

FROM: J. Kenneth McDonald  
Chief, DCI History Staff

SUBJECT: Application packets for Staff Historian  
finalists

Ann:

1. I'll attach the list of finalists for our Staff Historian vacancy. As we discussed this morning, I would be grateful if you could have application packets sent out to all of them, except the following:

[redacted] (to whom we gave a packet when we interviewed him earlier this week)

[redacted] (to whom we'll give a packet when we interview him next week)

I would be grateful if you could give us an application packet for [redacted]

2. Since these are all experienced Ph.D. historians, we are not asking any of them to take the PATB or to submit the Qualifications Supplement writing sample.

3. I would also appreciate having a copy of the form letter transmitting the packets to these candidates.

4. Many thanks.

[redacted]  
J. Kenneth McDonald
